Come join us on GoodReads.com to discuss your favorite books. Talk about what books you didn't like and why with other teens from all over the area.

Create an account and keep track of what you have read as well as what you thought of each book. If you are under 13, you will need your parents to help you sign up.

There is a link on the Library's catalog page. You can also go to GoodReads.com and search for the group Belton

Teen Summer Programs

Each week at the Lena Armstrong Library, we will feature a different theme with activities on Monday and Wednesday finishing with a movie or video game tournament on Friday.

Week One

Create your hero mask and cape at the Kick-off party **June 15 from 2-3:30 pm**. At **11 am** on **Wednesday**, join us for Toilet Paper Superheroes. Then, **Thursday**, there will be a showing of a super movie at **5 pm** with the opportunity to create your own hero as you watch.

Week Two

On **Monday** at **5 pm** and **Wednesday** at **4:30 pm**, we will screen

select episodes of T-rated and under Anime shows. While the episodes play, teens can create Candy Sushi to eat. The movie on **Thursday** begins at **5 pm**, and there will be LEGOs and paper to build your own robots.

Week Three

On **Monday** at **4 pm** and **Wednesday** at **11 am**, express yourself by making a Popsicle Superhero Bookmark or create a building from popsicle sticks. Then, **Thursday** at **4 pm** participate in a Super Smash Bros. Tournament for the WiiU. Bring your own WiiMote or 3DS with Super Smash Bros. installed to help the library create the ultimate 8-player battles.

Week Four

At **10:30 am** on **Monday** and **Wednesday**, the teen librarian will dare the teens to take on the Cornucopia Challenge. This will test their luck and ability to survive. With enough players, it will also test their teamwork. Bring a friend and dress for outdoor weather. We will only be inside if it is raining. Then, on **Thursday** at **5 pm**, we will see a movie with an epic female survivalist while we tie knots or make bracelets.

Week Five

This week will be a combo of Weeks Two and Three. Teens can come watch Anime episodes on **Monday** at **5 pm** and **Wednesday** at **4:30 pm** with Origami and bookend painting as crafts. Then, the 2nd Super Smash Bros. Tournament will begin at **4 pm** on **Thursday**.

Week Six

On **Monday** at **5 pm** and **Wednesday** at **4:30 pm** teens will have two more opportunities to come watch anime and do crafts. Then, **July 24**

from **2-3:30 pm**, teens can face the Superhero Course at the **Finale Party**.
